

ADDITIONAL SERVICES

CHAFFER SETUPS

\$20 Per Setup

Setups include a wire rack, the deep pan and two 4-hour sternos.

Our recommendation is one chafer per hot entree/side

SERVERS

General Server Notes

- Since this service is contingent on our driver availability, servers aren't always guaranteed
 - Please call ahead to ask about servers
- Number of servers we recommend depends on what is ordered and the group size
- Setup and breakdown of the buffet area is not extra or considered part of the serving time
 - One hour of service means one hour dedicated to pure service
- 3 hour maximum

Basic Serving Package

\$75 Per Hour Per Server

With the basic package, our driver is responsible for staying, replenishing the buffet, and serving guests. They are solely responsible for maintaining the buffet area.

Service + Bussing Package

\$125 Per Hour Per Server

Our driver is responsible for staying, replenishing the buffet, and serving guests. They will also help with clearing tables and area cleanup during the one hour period. This is typically done towards the end of service but can be done during depending on workload. Our servers are not expected to provide detailed waiter service.

Bussing is not the same as the breakdown. Bussing is a part of the hour of service. Breakdown of the buffet area is not
